

# STUDENT DESIGNED WASTEWATER ACCESS COVER CONTEST

SPONSORED BY THE CITY OF SPOKANE, SPOKANE ARTS, THE LANDS COUNCIL, AND THE SPOKESMAN REVIEW

## GOAL

Create a wastewater access cover design and encourage students to gain greater understanding of water ecology and the water system.

## DEADLINE

All submissions must be received by:  
**January 15, 2020**

## ELIGIBILITY

All Spokane students age **18 or under** can submit a design for this contest.

One winning design will be chosen and made into wastewater access covers that will be placed in our city (commonly referred to as a manhole cover).

## DESIGN

### REQUIREMENTS

Designs must be appropriate and appeal to a public audience. High contrast, black and white images with larger, **simple** shapes will be most suitable for casting. No fine detail!

### THEME

The design will be **reflective of the ecology, water, nature, creatures or landscape of the Inland Northwest**. What do you love about the river? How would you protect the river?

## SUBMIT

Draw in the circle on the back and mail to:

*Student Designed Wastewater Access Cover Contest  
City of Spokane, 909 E. Sprague Ave.  
Spokane, WA 99202*
